Supported Employment

What is Supported Employment?

Supported Employment helps people with intellectual disabilities develop skills for the workplace. We work directly with each individual to understand what type of job they would enjoy. With that in mind, we help find a meaningful place of employment and continue providing support for long term success.

Services Include:

- Situational Assessments
- Job Prep. & Development
- Job Coaching & Training
- Customized Employment

About Spectrum

Spectrum is an approved service agency for the Division of Vocational Rehabilitation. We have over 45 years of experience providing services to individuals with intellectual and developmental disabilities.

Our mission is to provide the individuals we serve with the greatest quality of life and the highest level of independence. Spectrum's highly trained team of service providers are deeply committed to the care and success of the people we work with!
