Just as growing older can allow for a more relaxed lifestyle, it can also present new obstacles and challenges.

Our clients have peace of mind knowing that we are dedicated to their satisfaction and quality of life. We have experienced home care professionals to assess your needs and provide quality care.

We evaluate and communicate your preferences to our caregivers, matching you with those best suited to meet your needs.

All caregivers are fully bonded and insured, and undergo a thorough interviewing, testing, and screening process prior to employment. Furthermore, caregivers are continually trained, supervised and evaluated to ensure that our high service standards are met.

**Exceptional
Personal Care and
Homemaking Services in the
comfort of your home**

About ALIDA Home Care

ALIDA Home Care provides personal care and homemaking services to seniors, elderly, mentally challenged and physically challenged adults. Through coordinated care and support for clients and their families, ALIDA Home Care enables individuals to remain in the safety and comfort of their own home environments for as long as possible.

Services

Our caregivers help our clients when family members or loved ones can not be present. This enables family and friends to have peace of mind knowing that their loved one is getting the attention they deserve and the care they need to remain safe in their home.

Our caregivers visit our clients in their homes as often as necessary. For short visits or 24 hours a day, they provide caregiver assistance, light housekeeping and help seniors, elderly, mentally and/or physically challenged adults function independently in their own home environments.

Our professional and dependable caregivers are available for you or your loved one as long as necessary, 24-hours a day, 7 days a week.
