SERVICE 02

Respite Services

Caring for a loved one is meaningful work — and every caregiver needs time to rest. Respite Services offer short-term support so family caregivers can take a break, attend to other responsibilities, or simply recharge.

During respite time, our team provides caring, attentive support that respects the individual's routines, preferences, and comfort — so families can step away with peace of mind.

Examples of support

Support is shaped around each person's plan, goals, and preferences, and may include:

- ✓ Planned, short-term breaks for family caregivers
- ✓ Companionship and engagement in enjoyable activities
- ✓ Help with daily routines during respite time
- ✓ Support that follows familiar routines and preferences

Goals we work toward together

- ✓ Caregivers have time to rest and recharge
- ✓ Individuals enjoy positive, safe experiences
- ✓ Daily routines stay consistent
- ✓ Families feel supported
