ABOUT US

About Good Morning Agency

Good Morning Agency is a Colorado-based support services organization empowering individuals with intellectual disabilities and their families through compassionate care, personal assistance, residential support, and meaningful community connections.

We believe every person deserves the chance to live life to the fullest — in their own way, in their own community, and with support that respects who they are. Our team works alongside individuals, families, guardians, and case managers to provide services that fit each person's goals, preferences, and daily life.

Our Mission

To empower individuals with intellectual disabilities while providing meaningful support to their families. We strive to overcome barriers and create opportunities for all.

Safe & Supportive Environment

Settings where individuals feel secure, welcomed, and free to grow.

Meaningful Connections

Relationships with family, friends, and community that make life richer.

Empowering Lives

Encouraging choice, independence, and confidence in everyday life.
