Quality In-Home Support That Respects Choice, Dignity, and Independence

Brown HomeCare provides supportive in-home services designed to help clients remain safe, comfortable, and as independent as possible in their own homes. We believe every client deserves respectful care, clear communication, dependable staff, and services centered around individual needs and preferences.

About Brown HomeCare Brown HomeCare is a Colorado home care agency committed to providing compassionate, professional support to clients and families. Our team focuses on dignity, independence, consistency, and meaningful assistance with everyday living.	Our Approach We work with clients, families, case managers, and care teams to support authorized goals and service plans. Our staff provide patient, respectful assistance while encouraging clients to participate in daily activities to the greatest extent possible.

Our Services

Personal Care Services	Support with authorized activities of daily living and personal care needs while promoting the client's privacy, comfort, dignity, and independence.
Homemaker Services	Assistance with authorized household tasks such as light housekeeping, meal planning and preparation, laundry, organization, and routine homemaking supports.
In-Home Support Services (IHSS)	Person-centered in-home support for eligible clients, including authorized homemaker, personal care, and health maintenance activities in accordance with the client's service plan.
Medicaid-Certified Services	Authorized services for eligible Medicaid clients in accordance with applicable program requirements, service authorizations, and care plans.
Respite Care Services	Short-term support for clients that also gives family members and other unpaid caregivers time for rest, personal responsibilities, or relief from ongoing caregiving duties.

Brown HomeCare

Caring for Seniors With Heart

Support Designed Around the Client

Our goal is to provide reliable support while respecting each client's choices, routines, preferences, abilities, and authorized care plan. Depending on the service authorization, support may include:

- Meal planning and meal preparation
- Light housekeeping and household organization
- Laundry and routine homemaking tasks
- Personal care assistance within the authorized scope
- Encouragement with daily routines and independent living skills
- Patient, step-by-step support when repeated instructions are helpful
- Respite support for clients and their families
- Coordination and communication with the client's authorized care team

Why Choose Brown HomeCare?

Respect & Dignity	We treat clients with courtesy, compassion, and respect for personal choices.
Person-Centered Support	Services are guided by the client's authorized needs, goals, preferences, and care plan.
Independence	We encourage clients to participate in daily activities and maintain their abilities whenever possible.
Dependability	We understand the importance of consistent communication, scheduling, and reliable support.
Collaboration	We value communication with clients, families, case managers, and authorized care-team partners.
