

Best Buddies Program

*Be a Friend,
Make a Friend*

Best Buddies International is a program with chapters all over the world. Jewish Family Service Best Buddies Citizens chapter matches adults with and without Intellectual and Developmental Disabilities (IDD) in the greater Denver area in one-to-one friendships that develop and are sustained over many years. The JFS chapter is unique in that Jewish adults are matched with each other to create deeper friendships and connections to the Colorado Jewish community and each other.
