

Passionately Committed to Changing Lives

THE SUPPORT, INC. NETWORK REDEFINES THE LIFE EXPERIENCE FOR PEOPLE WITH INTELLECTUAL AND DEVELOPMENTAL DISABILITIES

About The Support, Inc. Network

Locally owned and operated, The Support, Inc. Network is the leading provider of community-based solutions for individuals with intellectual and developmental disabilities. With more than 35 years of experience, our team offers comprehensive residential, day and clinical services to individuals across the state.

Residential services

Our personalized approach allows for a variety of home care scenarios designed to offer thoughtful care that enables individuals to flourish.

- Host Home
- Family Caregiver Program
- Independent Apartment Living Program (PCA)

Both Host Home Providers and Family Caregivers play a vital role in creating safe, supportive environments where individuals can grow and thrive.

Day services

We offer day services at each location, providing many opportunities for individual and group activities, life skills development, work experience and individual support.

Clinical services (also known as behavioral services)

We treat the whole person, taking into account their physical and mental symptoms as well as their emotional needs. We offer assessments, consultations, as well as individual and group sessions online and in person.
