

Assisted Living Residence

What We Do

Since 2009, Aurora Residential Alternatives has provided community-based living solutions and innovative brain injury care throughout Colorado. Our Assisted Living Residences offer a safe, supportive, and engaging environment where individuals are encouraged to reach their highest level of independence and well-being.

Our Services

- 24-hour assisted living support
- Individualized care plans tailored to each person's needs
- Community-based homes throughout the Front Range and Colorado Springs
- Brain injury rehabilitation and behavioral support
- Skill-building for daily living, independence, and social connection
- Medication management and health monitoring
- Emotional and cognitive support
- Recreational and community integration activities

Testimonial

"I love this place. I have grown a lot...physically, emotionally and mentally. I can breathe. I feel safe here!! I am free!! I am loved!! I am happy in this home. This home lets me have independent choice. I am my own person. I matter here!! Life has been positive here. I LOVE being here."
E.V., Supported Living Participant
